POPULATION LITERATURE

v.1-2 c.1

INDEX OF AUTHORS

Volume I, 1935

The following list includes references to all signed articles, also publications of associations and governmental organizations, cited in "Population Literature", Volume I. Authors, individuals or organizations, are listed alphabetically. Roman Numerals refer to the quarter of issue (I to IV); arabic numerals for issues I, II, and III refer to the page of the bibliography on which the article is found. In issue IV the citations were numbered, and the numeral (in parenthesis) refers to the number of the citation.
